I hereby apply for a kayak/paddleboard berth as above. All equipment is stored entirely at the owner's risk. The owner shall be liable for any damages that they might cause to other boats or any injuries caused to themselves or any third parties. Any person using the club premises does so entirely at their own risk – PNYC Ltd does not accept responsibility for any loss, accident or injury however caused. Members agree to abide by the Rules of The Club which are available on the website.

Due to our very limited parking, kayak, paddle board, beach, trot and swing mooring members may **not** leave cars in the car park while out on the water. You may unload and load but must park in the village, preferably up beyond Trevince Lane below the chapel.

You may leave paddles and buoyancy aids in the Engine Store but please name all your equipment. The code is 0834 and press the black button on the bottom of the lock.
