

LAUNCHING MEMBERSHIP
FOR PADDLE BOARDS AND KAYAKS

2021

This allows a Launching Member to launch their paddle boards, kayaks and small dinghies from the PNYC slip. Parking however is a problem for us. Launching Members can unload and load in the car park but must park in the village (ideally on the left of the lane just below The Chapel) before going out on the water. There are two hose pipes to clean your kit.
