Early payment much appreciated but no later than 1st March in any event.

I hereby apply for a berth as above and confirm that each of my boats has at least a minimum 3rd party insurance cover of £2,000,000 for each claim. I understand and accept

that in the event that for any reason I do not have the required insurance, I shall be personally liable.

Any person using the club premises does so entirely at their own risk – PNYC Ltd does not accept responsibility for any loss, accident or injury however caused.

Any adult regularly using the boat must be a member of the club. Children are not allowed on the pontoons without adult supervision. Members agree to abide by the Rules of The Club which are available on the website. Only Pontoon members may leave one vehicle per boat in the car park while out on the water and subject to availability (please note that two spaces are required by the Upper and Lower Deck and staff parking is also marked).

Unless agree in advance, members who leave their boats on the moorings after expiry will be charged a weekly fee until the mooring is vacated.

Parking in the car park is restricted to pontoon members only (and one vehicle per boat).

Otherwise, due to our very limited parking, members are kindly asked to park in the village before going out on the water particularly during the busy summer months. Guests must park in the village.
